## *Facials*

The sensitive skin on your face reacts to age, stress, and the elements that surround you. As skin specialists, allow us to purify and replenish your skin according to your individual needs. Our exquisite facial treatments are designed to cleanse, refresh, and provide balance. G.M Collin/Glytone facial upgrades can be customized to target your specific skin needs.

(Note: Men should shave ~24hrs prior to treatment, for optimal results)

### *Facial Series*

Regular and frequent treatments are necessary to maintain healthy skin. Our series programs are designed to provide an intense treatment regime needed to affect a significant difference in your appearance. Your skincare professional will prescribe the frequency of your facials for best results.

### *European Deep Cleansing*

Gentle steam mist utilized to exfoliating away dead skin cells and extractions. Light touch face massage releases tension and hand treatment performed while your skin rehydrates with a customized treatment masque. Therapeutic experience is completed with a nourishing moisturizer.

### *Sea C SPA*

Turn back time with this powerful antioxidant treatment, which incorporates Vitamin C, seaweed and an organic mud mask. Sea C Spa reduces the appearance of fine lines and wrinkles and restores your skin's youthful appearance.

### *Collagen 90-II*

Exclusive to GM Collagen, this intensive anti-aging treatment hydrates, rejuvenates, tightens, and reconfigures the skins surface to reduce the visible signs of aging – without surgery! This facial is unequalled for skin renewal.

### *Oxygen*

Increased cellular respiration, proliferation, and metabolism action that repairs damaged cells and helps to minimize premature signs of aging. Oxygen also serves to enhance antibacterial activity, making the face look younger, brighter, and healthier.

### ***Teen***

Acne can affect skin at any age from adolescence to adult. Deep pore cleansing, gentle exfoliation and moisturizing. Daily regiment to keeping skin clean and healthy.

### ***Back***

Thorough pore cleansing specially designed for the much neglected back and shoulder area. Exfoliates, hydrates, and tones the skin in this hard to reach area. Removes impurities, rebalances the skin, and restores elasticity.

## ***Microcurrent Technology***

### ***Microdermabrasion***

A gentle skin abrasion utilizing crystals to revitalize, rejuvenate, and renew the skin. Addresses fine lines, wrinkles, sun damaged skin, dull/congested skin, and pigmentation.
